"Healing"

Luke 4:38-44

Jan. 16, 2022

Luke 4:38-44

38 Then He got up and left the synagogue, and entered Simon's home. Now Simon's mother-in-law was suffering from a high fever, and they asked Him to help her.

39 And standing over her, He rebuked the fever, and it left her; and she immediately got up and waited on them.

40 While the sun was setting, all those who had any who were sick with various diseases brought them to Him; and laying His hands on each one of them, He was healing them.

41 Demons also were coming out of many, shouting, "You are the Son of God!" But rebuking them, He would not allow them to speak, because they knew Him to be the Christ.

42 When day came, Jesus left and went to a secluded place; and the crowds were searching for Him, and came to Him and tried to keep Him from going away from them.

43 But He said to them, "I must preach the kingdom of God to the other cities also, for I was sent for this purpose."

44 So He kept on preaching in the synagogues of Judea.

38 Then He got up and left the synagogue, and entered Simon's home. Now Simon's mother-in-law was suffering from a high fever, and they asked Him to help her.

- On the Sabbath Jesus has:
 1. Taught in the synagogue.
 2. Cast out a demon.
- He now leaves the synagogue and goes to Simon's (Peter) home.
- This would be typical on a Sabbath, to be done around noon and then to go home or to someone's home and enjoy a meal together.
- Peter's mother-in-law is suffering from a high fever.

Note: Peter is married. RC have a problem here. If Peter is the first Pope and therefore must be celibate, how can he be married. Tradition also says he had children.

1 Cor 9:5

5 Do we not have a right to take along a believing wife, even as the rest of the apostles and the brothers of the Lord and Cephas?

Note: Luke records that this was a "high" fever. (103+) Other gospel writers do not use the word "high." Again this is Luke the physician. The most common causes of high fever are infections, such as pneumonia, meningitis, and infections of the urinary tract.

- **"they"** - Peter, Andrew, James, and John. (Mark 1:29)

Luke 4:38-44

38 Then He got up and left the synagogue, and entered Simon's home. Now Simon's mother-in-law was suffering from a high fever, and they asked Him to help her.

39 And standing over her, He rebuked the fever, and it left her; and she immediately got up and waited on them.

"rebuked" – **ἐπιτιμαω** – to take charge over something, to admonish, to rebuke.

- This is not implying that the fever was caused by a demon. Jesus at other times rebuked the wind and the sea and no demon was involved.
- Jesus calls the fever out and notice, it immediately left her.
- Now this is important to note:
 - When Jesus heals, the healing is:**
 1. Instantaneous. Not gradual, not progressive but instant. There was no waiting for the healing to "take hold." If you have to wait weeks or months then the healing could be explained another way.
 2. Complete. Not partial. No need for additional healings. It's over. It's done.
 3. Done with no faith required from the one who is sick.
 4. Occurs with no controlled environment, no music, and no dramatics.
- There is no other way to explain this other than the authoritative power of the sovereignty of God.
- She immediately pops out of bed and begins serving the meal.
- This is what a true healing looks like.

40 While the sun was setting, all those who had any who were sick with various diseases brought them to Him; and laying His hands on each one of them, He was healing them.

- The Sabbath went from sundown on Friday to sundown on Saturday.
- So this is sundown on Saturday.
- The people wait until this time to bring the sick so that they do not violate the Sabbath according to the laws of the Jewish establishment. No healing on the Sabbath, and you could not travel over a days journey.
- Notice it is "various" diseases. All types – organic, functional, etc. Jesus could heal cancer, AIDS, Covid, broken bones, spinal disorders, Malaria, blindness, deafness, deformity, heart disease, arthritis, Alzheimer's, diabetes, etc, etc, He could heal any and all diseases, inherited or acquired.
- No pre-screening, just bring them all.
- All were healed that day– perhaps hundreds.

40 While the sun was setting, all those who had any who were sick with various diseases brought them to Him; and laying His hands on each one of them, He was healing them.

Note several things here:

1. Nothing is said about these having enough faith. These healings are to demonstrate that Jesus is the Messiah and points people to believe in His message. Today a healing or miracle is left up to the sovereign plan of God for my life. He may choose to heal me, He may not. I should pray, ask, and trust Him for the outcome. Remember this –

“It takes more faith to believe in the providence of God (that He has brought this disease into my life to serve His purposes) than to believe in the power of God (that I should be instantly healed.)”

Rather than asking, “Do I have enough faith to be healed?”

perhaps I should ask “Do I have enough faith if I am NOT healed?”

Job 13:15

5 Though He slay me, yet will I trust Him.

2. There is no record here of anyone believing for salvation. Healing is not the gospel. It only points you to One who is the gospel.

41 Demons also were coming out of many, shouting, "You are the Son of God!" But rebuking them, He would not allow them to speak, because they knew Him to be the Christ.

- People were also being healed of demon possession.
- This sends the demons into a panic.
- So they scream (κραυγάζω - shrieks of terror.) They are desperate. Why?
 1. To appease Jesus. May send them to the abyss and eventually to the Lake of Fire.
 2. To appear to have the upper hand.
 3. To confuse the crowd.
- As with the demon in the synagogue, Jesus muzzles them to stop the confusion.
- Demons know who Jesus is and are willing to proclaim it, but this is not the publicity Jesus needed.
- It's sad that the demons know who Jesus is but they do not love Him, worship Him, treasure Him, or trust Him. At this point, neither does the crowd.
- Again, no record of anyone being saved.

Luke 4:38-44

38 Then He got up and left the synagogue, and entered Simon's home. Now Simon's mother-in-law was suffering from a high fever, and they asked Him to help her.

44 So He kept on preaching in the synagogues of Judea.

42 When day came, Jesus left and went to a secluded place; and the crowds were searching for Him, and came to Him and tried to keep Him from going away from them.

- Jesus probably healed late into the evening.
- Needed to get away and pray (Mk. 1:35) in seclusion.

42 When day came, Jesus left and went to a secluded place; and the crowds were searching for Him, and came to Him and tried to keep Him from going away from them.

- Jesus probably healed late into the evening.
- Needed to get away and pray (Mk. 1:35) in seclusion.
- But Jesus is going to be greatly sought after for what He has the ability to do.
- They search and they find Him and try to keep Him from leaving them.
- Health is a big issue in peoples lives.
- Look at the pandemic.
- If you can empty hospitals, and cure every disease, you will be in demand.

Think about it: Were the Capernaumites better than the Nazarethites?

In one place He was tossed out because of what He said (quoted the truth of the Scripture).

In another place He was begged to stay because of what He did (healed).

Both groups remained in unbelief.

That is why Jesus said . . .

1. Jesus went to the synagogue, where He taught the Word.
2. While there He healed a demon-possessed man.
3. Jesus went over to Simon Peter's home for dinner.
4. Simon's mother-in-law was ill with a high fever, and Jesus healed her.
5. After sundown, when the Sabbath was over, the whole town lined up at Peter's door with their sick and Jesus healed them.
6. Early the next morning Jesus slips away to pray.
7. The crowds find Him and press Him to stay.

43 But He said to them, "I must preach the kingdom of God to the other cities also, for I was sent for this purpose."

- Here is the greater work and message – to “preach the kingdom of God”.

“the kingdom of God” used 3 ways -

1. The rule of God over all of the universe – *sovereign rule*.

Ps 103:19

19 The Lord has established His throne in the heavens,
And His sovereignty **rules** over all.

2. The rule over the hearts of believers – *spiritual rule*.

Col 3:15

15 Let the peace of Christ **rule** in your hearts,

3. The future rule over the earth for 1,000 years – *millennial rule*.

Dan 7:27

27 'Then the sovereignty, the dominion and the greatness of all the kingdoms under the whole heaven will be given to the people of the saints of the Highest One; His kingdom will be an everlasting kingdom, and all the dominions will serve and obey Him.'

Rev 19:15

5 From His mouth comes a sharp sword, so that with it He may strike down the nations, and He will rule them with a rod of iron;

44 So He kept on preaching in the synagogues of Judea.

- Jesus stays on course.
- His mission is to “seek and save the lost”. Not by healing, or doing good, or impressing people with miracles, but by preaching the good news that He is the Messiah who has come to save them from their sin and rule in their hearts and lives.

Luke 4:38-44

38 Then He got up and left the synagogue, and entered Simon's home. Now Simon's mother-in-law was suffering from a high fever, and they asked Him to help her.
